20th AfWA International Congress & Exhibition in Kampala
24.-27.02.2020

The 20th African Water Association International Congress and Exhibition 2020 will be held under the theme: "Breaking new grounds to accelerate access to water and sanitation for all in Africa". It will also coincide with the celebration of the 40 years existence of the African Water Association (AfWA) and the launch of the African Water and Sanitation Academy. The accompanying exhibition will be visited by an estimated 3000 delegates from over 100 countries as well as numerous decision-making visitors from Uganda.

The GWP joint booth on international trade fairs - your carefree package!

Supervision from the planning to the follow-up:
- administrative tasks such as: contact with the exhibition centre, coordination with trade fair organiser and booth builders, set-up and dismantling, central contact person in the GWP head office for all matters.
- Booth management by GWP head office staff on-site and during the whole trade fair period.

Delegations/ representatives:
- GWP will, whenever possible, invite delegations and representatives from relevant institutions (embassy, chamber of commerce, KfW etc.) for booth visits, exchange and information sessions with the participating members.
- The organisation of further activities is coordinated within the relevant GWP regional section.

Together - a strong network:
- The GWP joint booth offers you the possibility to present and position your company as a member of a strong network.
- Whenever possible, GWP initiates, supports and organises possibilities for GWP members to participate in forums, side events, as a speaker, in cooperation platforms etc.

We also take care of:
- Exhibitor’s passes
- Presentation of your company on a poster (GWP will take over the coordination with the graphic designer and the printer)
- The presentation of your Logo
- Basic entry in the official exhibition catalogue
- Booth rental incl. associated services (waste, cleaning, storage)
- Your additional orders e.g. platforms, screens, connections (for an extra charge)
- Common meeting area for your individual meetings during the trade fair
- Common lockable storage room
- Catering service (cookies, water, tea, coffee for you and your clients)

Prices are exclusive of German sales tax (19%). If necessary, a fee for the official registration of your company as a sub-exhibitor at the GWP joint booth will be charged by the trade fair company and passed an to you.

**Please note for all packages:** Not included in the prices are any additional costs for: additional exhibitor’s passes, mailing costs and additional layout work, telephone and internet connection at the booth, additional furnishings, additional brochure stands, additional power consumption, water connection etc. Please note that any additional costs occured by your exhibits e.g. extra booth area, podiums, connections etc. will be charged to you. It is not permitted to bring your own furnishings to the GWP joint booth!

Place/Date ______________________ Signature/Stamp ______________________

*The legally binding registration has to be submitted before deadline. You will receive a prepayment invoice of the minimum cost of your chosen package. This invoice is also to be considered as the confirmation of your registration. The final costs are calculated depending on the actual expenses and number of participating companies. Should the proportionate costs exceed the minimum cost of your chosen package you will receive a final invoice after the trade fair (applies for packages 2 and 3). Together with the national/regional forum, the GWP head office strives for the best possible price-performance ratio. In case of cancellation from your side, there is no claim to refund!
Written consent according to the European General Data Protection Regulation (GDPR)

German Water Partnership e.V. (GWP) will collect following personal data within the scope of the event:
- data of the participating companies including contact data (as provided through the registration form)
- name and email address of the participant(s) as well as the contact person for the event

Providing personal data by the participating companies or the employee commissioned by the company is voluntary within the scope of the registration. The parties involved consent to the processing of their personal data. German Water Partnership e. V. is allowed to forward personal data to event organisers in the respective country. The data can also be forwarded for any required inspection by third parties (e.g. Federal Audit Office). The data collected will be saved in accordance to legal and official requirements and time limits.

Rights of the person concerned: disclosure, correction, deletion and blocking, right of objection

In accordance with § 15 GDPR you are entitled to request German Water Partnership e.V. (contracting partner) for extensive disclosure of information concerning the data stored in relation to your person at any time.

In accordance with § 17 GDPR you are at any time entitled to request German Water Partnership e.V. (contracting partner) to correct, delete and block single personal data and pictures in relation to your person.

Furthermore, you are entitled at any time to exercise your right of objection without stating any reason and thus change your given consent for the future or completely revoke it. You can forward your revocation either via letter, email or fax to your contract partner. No additional charges will be levied than the postage costs or transmission costs in accordance with the existing tariffs of the country.

Declaration of consent in accordance with GDPR

☐ I herewith agree that my personal data will be processed for the purposes mentioned above as well as saved for purposes of communication. I have taken notice that I can revoke this declaration of consent towards German Water Partnership e. V. at any time.

Consent to the use of photos

☐ By participating in the event, I hereby consent that the photos which are taken in the scope of the event can be used by German Water Partnership e.V. for public relations purposes. This includes the use of photos in the scope of GWP-media coverage (e.g. press release, newsletter, etc.) which also will be published on the GWP-website.
