Exhibition & Conference

23rd. - 25th. November 2021

Expo Center Karachi, Pakistan

PWE

PAK WATER & ENERGY EXPO

www.pakwaterexpo.com

Exhibition

- **Water Technologies**
  RO Plant, Water Recycling, Demin Plants
  Filteration Plant,Distillation Plants
- **Waste Water Solution**
  Sewage & Sludge Treatment, Industrial Waste Water Plant
- **Power Generation, Transmission and Distribution**
  Generator, UPS, Panels PFI, Batteries
- **Renewable Energy**
  Solar Energy, Wind Energy
- **Sustainability and Green Engineering**
  Carbon Management Solutions, Energy Conservation and Efficiency
- **Automation and Instrumentation**
  Calibration & Testing Services, Monitoring and Control

Organizer: Prime EVENT MANAGEMENT

Supported: WASA LAHORE; PWON Pakistan Water Operators Network; USPCAS-W Mehran University; NATIONAL ALLIANCE FOR SAFE FOOD

Conference Partner

Introduction

Pak Water & Energy Expo 2021, is an integrated exhibition, exclusively focused on Water & Energy Industry of Pakistan. The exhibition being held annually since 2016 & has become a leading platform for Water & Energy related equipment, vendors and service providers. Both local and international exhibitors have participated in this event.

The exhibition is a showcase for plants and equipment manufacturers, material suppliers & equipment manufacturers etc for Water & Energy industry. It brings together all the stakeholders under one roof for three days event. The exhibition provides an excellent opportunity of one to one contact for all those who are interested in to promote their products and service to the visitors of the Exhibition. Meetings and discussions on the sideline of the exhibition will help you in shaping and formulating future strategies and business plans.

The event offers tremendous business opportunities. It helps to gauge the real pulse of the industry. The participation in the show enhance reputation & image of Exhibitors and make them a strong player of Pakistan's Water & Energy Sector.

Water Technologies

- Desalination Plant
- Domestic RO Plant
- Drilling Companies
- Bottling Filling Line
- Mineral Water Plant
- Rainwater Harvesting
- Reverse Osmosis Eqpt
- Pumps Manufacturers
- Controllers and PLCs
- Chlorination Systems
- Canal Lining material
- Boilers Manufacturers
- Demineralization Plant
- Ultra Filtration
- Filter Housings
- RO Membranes
- Softeners,PE Pipings
- Ultra Violet Lamps
- Water Storage Tanks
- Cartridge Filters
- Activated Carbon
- SS Piping and Fittings
- FRP Vessels,Arid Irrigation
- Water Boosting System
- Chemical Dosing System
- Carbon Filter / Sand Filters
- PVC Piping and Fittings
- Engineering Companies
- Purified Water Generators
- Drip Irrigation Equipment
- Water Conservation Eqt
- Water Testing Laboratories
- Water Chemicals Manufacturers

Waste Water Solutions

- Geomembrane Lining
- Blowers and Diffusers
- Chemical Dosing System
- Environmental Consultants
- Pollution Monitoring Eqt.
- Water Testing Laboratories
- Sewage & Sludge Treatment
- Waste Water Treatment Plants
- Wastewater Recycling

Power Generation, Transmission & Distribution

- Power Generation
- Power Transmission
- Power Distribution Systems
- Energy Management, Metering
- Transformers
- Energy Storage
- Panels PFI, Batteries
- Diagnostic Equipment

Renewable Energy

- Energy Solutions
- Energy Storage, Batteries,
- Waste to Energy Solutions
- Solar Energy - Wind Energy
- PV Panels, Invertor, Controller
- Self-sustained Commercial and Industrial
- Energy Conservation Products and Technologies

Sustainability & Green Engineering

- Environment Protection
- Environmental Engineering
- Carbon Management Solutions
- Energy Conservation and Efficiency
- Emissions Monitoring and Reduction
- Government and Regulatory Agencies
- Environment-Friendly Products & Smart Technologies

Automation & Instrumentation

Electrical Components
Energy Efficiency Technology
Calibration & Testing Services
Measuring & Control Equipment
Automation and Control Systems
DCS (Distributed Control Systems)
Process Safety, Mobile Automation
Instrumentation & Process Controls
SCADA Technology, Process Automation
Industrial PCs and Touchscreen Systems
Wireless Automation, Sensors & Actuators
Maintenance & Optimization

Visitors Profile

Visitors to Pak Water & Energy Expo 2019 represent the public and private sectors who focus on Water, Energy and the Environment from Pakistan.

- Refineries
- Power Plants
- Chemical Plants
- Sugar Industries
- Textile Industries
- Hotels and Clubs
- Water Consultants
- Leather Industries
- Beverage Industries
- Petrochemical Plants
- Food Processing Units
- Irrigation Department
- Real Estate Developers
- Fertilizer Manufacturers
- Distillery / Brewery Units
- Mineral Water Producers
- Builders and Contractors
- Public Works Department
- Mineral Water, Fruit Juices
- Diaries and Milk Producers
- Pulp and Paper Industry
- Engineering Organizations
- Environmental Consultants
- Water Resources Authorities
- Municipal Corporation/ KWSB
- Research and Technical Institutes
- Environmental Protection Agency
- Pharmaceutical Manufacturers
- Mineral Water Bottles Manufacturers
